Dear Parents,

We currently have an application on file for your child (or children) to attend Edu-Prize School in Gilbert. This courtesy letter is to notify you that we are preparing to change our application process for the upcoming school year. Your child's application will remain active in our lottery for any openings that occur during the remainder of the 2008/09 school year. If you are not called for placement this year, and you would like to have your student considered for enrollment for the next school year, 2009-2010, it will be necessary to submit a new application anytime after January 1, 2009. Applications may be picked up at the school or printed online and returned in person, or by mail or fax. This letter only affects those applicants who are enrolled in school as of October 2008; it does NOT affect Kindergarten applicants for future years. Please call us or visit our website if you have any questions.

Thank you for your continued interest in Edu-Prize School.

Always Learning,

Jeanne Knapp  
Enrollment Coordinator
